

PRE- AND POST INTERNATIONAL CONGRESS PROJECT ICEM 2025

Objectives

- Offer comrades from abroad a welcome before and after the 4 days of the congress
- Create an international dynamic between the FIMEM members present at the congress
- Prepare the international dimension of the congress
- Promote cooperative work for the preparation of RIDEF 2026 in Poland

Who is concerned

- 1/ The "official" guests of the congress (financially supported)
 - 2/ Other international participants, members of a movement affiliated to FIMEM. In case of many requests, priority will be given to people involved in FIMEM activities (commissions, RIDEF...) and to people from non-European countries.
 - 3/ Volunteer members of the ICEM international sector and FREMCE GDs
- Capacity: 20 /25 people
- Anyone can register independently for the pre or post-congress, or both.
